- History and Evolution of Ragging The extent of Ragging We were asked to strip, lift pens with our buttocks, sit on empty bottle with their mouth upward My friend may not talk about it because he has to study 5 more years in college But later on i took my revenge by ragging my juniors "They are made naked and ordered to do bad things... I can't tell it even to my parents. It is not justified but I can't bear it any more."

Amit committed suicide on 11 October 2005 by jumping in front of a moving train [Read more cases...](#)

Towards a solution to RaggingA three-forked approach Acceptance of ragging as a social evil by the masses. [Through awareness] Deployment of alternate means of interaction between freshers and seniors at colleges. [Soft Approach] Strict measures by colleges including surprise checks and severe punishment to culprits. [Hard Approach] [Read more...](#)
